KOFIC Introduction

Korean Film Council

The Korean Film Council (KOFIC), a government-supported, selfadministered body, strives to promote and support Korean Films both in Korea and abroad. KOFIC's primary objective is to promote and support the production of Korean films through funding, research, education and training. It also strives to actively participate in international markets on the behalf of Korean films and to promote inter-cultural understanding through film-based cultural exchanges.

KOFIC Priorities

1. Establishment of plans to promote the Korean film industry.
2. Management of the Korean Film Development Fund.
3. Provision of support for the production, distribution and screening of films in order to ensure quality and greater diversification.
4. Management of film production facilities, including the KOFIC Namyangju Studios.
5. Support in the form of overseas marketing and promotion of international exchanges.
6. Research and development.
7. Education and training of film-related personnel.
